July 2, 2026

Hello "Pride of Lindale" Eagle Band and Families!

We wanted to send a reminder about our Summer Band rehearsals and the 2026–2027 high school band calendar. This information was previously sent home with your student and emailed at the end of this past school year. Any changes from the last letter will be highlighted in gray.

Freshman Band Camp will be held July 23–24. Full Band Summer Band rehearsals for freshmen through seniors will begin July 27 and run through August 10. We will not rehearse on Fridays, Saturdays, or Sundays.

On Thursday, August 6, at 6:30 PM, we will have a parent meeting in the PAC. This meeting will include a band preview performance, an orientation covering the handbook and band calendar, and a short booster meeting where you can learn how to get involved and help your student earn trip credit for our next band trip. You will also be able to turn in any forms you need at this time. We will also discuss our online store, where you can pay fees, order supplies, and pay by credit card.

In addition to this letter, you will find a Summer Band rehearsal schedule, uniform fitting schedule, and performance calendar for the entire 2026–2027 school year. Please make yourself familiar with this schedule, as all performances and rehearsals are mandatory.

ALL ABSENCES MUST BE EXCUSED BY MR. FISHER BEFORE THE REHEARSAL IS MISSED AND MUST BE EXCUSABLE.

Please call or email me before the rehearsal if your student must miss so that an excused absence can be considered.

Not having a ride is not an excused absence. If transportation is a problem, please let me know, and I will see if a member of our student leadership team can help. For students who work, please plan carefully. Missing rehearsals or performances for work is not excused.

We currently have around 250 students signed up for high school band next year, and each individual is important to the success of the band. Attendance at every rehearsal and performance is expected and extremely important. It takes a great deal of organization for 250-plus students to work together, move together, and perform together at a high level.

If your child is also participating in athletics, drill team, cheer, or another school-sponsored activity, I will communicate with those sponsors about sharing your student during rehearsals and performances. I will also communicate any important information with you. **We are proud to work with other organizations so that your child can be involved in everything they want to do.**

On the next page, you will find information regarding supplies, the band fee, communication, and the band calendar for next year. The following page includes our rehearsal and performance calendar. Please review the supplies list and make sure your student has all supplies at the first rehearsal. We will size marching shoes in the band hall and order them during uniform checkout. Upperclassmen may need to order new shoes depending on the condition of their current pair.

If you have any questions, please do not hesitate to contact us.

We look forward to working with your child this year. Have a great rest of your summer!

Sincerely,

Weston Fisher,
LISD Director of Bands

Susan Scott,
LISD Associate Director of Bands

Brayden Loosier,
LHS Associate Director

Casey Johnson,
LHS Assistant Director
