

Kiwanis Technical/Vocational Scholarship

Guidelines

Each year the Hide-A-Way Lake Kiwanis Club will give two Technical/Vocational Field Scholarships. Each student will be allotted \$2,000 to the school of choice.

Qualifications

The student must demonstrate a need for financial assistance.

The student should have a high C average or better and demonstrate good working habits.

The student plans to see a career in a Technical/Vocational area.

Procedure

The school Counselor will provide the student with the required application forms.

The counselor will submit the completed forms to a Hide-A-Way Kiwanis Committee.

The Kiwanis Committee will preview the applications and select two recipients.
